

# Cranbrook & District Probus Club: 2025 Membership Survey

The Committee would like to ensure that before a new edition of the "Yellow Book" goes to print, we not only have up-to-date information for each member but also have that member's explicit permission to reproduce this information in the Yellow Book and/or online in the secure "Members only" section of the web site. We would therefore be very grateful if you could complete the form below. Thank you very much in advance for your co-operation in this data-gathering exercise, which is much appreciated.
